#### Tekst 1.

*Girl:* I love animals. I own a dog called Hector. He's 5 years old. Hector is medium-sized, and has long, curly fur. He has molten-brown eyes. His most attractive quality is that he is friendly to everyone. I think, that my dog is really smart. He knows many commands. For example „sit”, „stop” and „come”. He also likes to sleep in the kitchen under the table, because he always want to get some snacks. Hector is very greedy dog.

#### Tekst 2.

Boy: Hi mum, what are you doing?

Mum: I'm planning our vacation.

Boy: Are we going to Italy?

Mum: No, we were there last year.

Boy: You are right. I was sick there and I was playing video games all the time.

Mum: This year we are going to the mountains, to Zakopane.

Boy: I am really happy about that. Hiking is my favourite sport.

#### Tekst 3.

During holidays in New Delhi we went to a centrally located Indian restaurant. We got a table in the beautiful garden. Following the waiter's advice we ordered the most popular dishes - lamb and chicken cooked with mild spices. It was delicious.

#### Tekst 4.

Last year I got a new phone for my birthday. That was an awesome gift. This year I am considering two things and I can't decide what to choose. My first idea is going to the cinema with my whole family, second is asking for a new bike. I think that I will go for the first idea and ask my parents to buy cinema tickets.

### Zadanie 2.

1. I love hot weather, so when I go on holiday I like to travel to hot countries. Last year, I went to Greece, which was beautiful.
